

Curriculum Vitae

Tohid Karami

CONTACT INFORMATION:

Anesthesiology Departement , Imam Khomeini Medical Educatinal Center, Urmia University of Medical Sciences, Urmia, Iran

Personal E mail: karami.tohid@gmail.com

Academic Email: karami.t@umsu.ac.i

Phone Number : 044 - 32752379

PERSONAL INFORMATION:

Date of Birth: Sep 21/1982

Nationality: Iranian

Marital status: Married

CURRENT STATUS:

Assistant Professor of Anesthesiology, Pediatric Anesthesiologist, Anesthesiology Departement ,School of Medicine, Urmia University of Medical Sciences, Urmia ,Iran.

EDUCATION BACKGROUND:

2016-2017 Fellowship of Pediatric Anesthesiology ,Tabriz University of Medical Sciences ,Tabriz ,Iran.

2010-2014 Specialit of Anesthesiology , Urmia University of Medical Sciences ,Urmia ,Iran.

2000-2008 Doctor of Medicine, Urmia University of Medical Sciences, Urmia, Iran.

EXPERIENCE:

Feb 2017-present Assistant Professor of Anesthesiology, Pediatric Anesthesiologist, Urmia University of Medical Sciences, Urmia, Iran.

Sep 2018-present Member of Clinical Researches Development Unit of Imam Khomeini Hospital, Urmia University of Medical Sciences, Urmia, Iran

Jul 2021-present Member of Maternal and Childhood Obesity Research Center, Urmia University of Medical Sciences, Urmia, Iran

Oct 2020-sep 2022 Head of Kowsar Women's Medical Educational Center, Urmia University of Medical Sciences, Urmia, Iran.

Sep 2014-present Member of Iranian Anesthesiology and Critical Care Society, Tehran, Iran

PUBLICATIONS:

1) The effect of pregabalin on postdural puncture headache among patients undergoing elective cesarean section: A randomized controlled trial. <https://doi.org/10.1016/j.amsu.2021.102226>

2) Comparing caudal block and penile block using rectal acetaminophen in postoperative analgesia of hypospadias repair: A randomized clinical trial study. <https://doi.org/10.1016/j.ijso.2020.12.013>

3) Evaluation of Effect of Preoperative Oral Carbohydrate on the Perioperative Agitation in Pediatrics Undergoing Elective Herniorrhaphy; A Double-Blind Randomized Clinical Trial. [10.22038/ijp.2020.51628.4105](https://doi.org/10.22038/ijp.2020.51628.4105)

4) The Successful Awake Caudal Anesthesia for Bilateral Inguinal Hernia Repair in Triple Premature Infants: Case report and Review of Literature. <http://dx.doi.org/10.7575/aiaa.abcmed.v.9n.1p.44>

5) Anesthesia in a pediatric patient with Xeroderma pigmentosum: A case report.

DOI: <https://doi.org/10.22037/irjps.v5i1.22760>

6) Some Viewpoints about Apnea of Prematurity in Neonates under Inguinal Herniorrhaphy: A Brief Review. DOI: <http://dx.doi.org/10.22037/irjps.v3i3.20954>

7) Percutaneous dilatational tracheostomy and surgically created thracheostomy in ICU patients
doi: 10.5681/jcvtr.2014.008

8) "Anesthesia management in a pediatric patient with Prune belly syndrome; a case report", for publication in Iranian Journal of Pediatric Surgery.

<https://journals.sbmu.ac.ir/irjps/sword/index/33869>

9) Comparison of the Analgesic Effect of Pericapsular Ultrasound-Guided Nerve Group Block and Fascia Iliaca Block in Patients with Femoral Head Fracture for Neuraxial Block

<https://doi.org/10.5812/ipmn-138901>

10) ASSESSMENT OF THE DELIRIUM FREQUENCY AND ITS OUTCOMES AFTER UROLOGIC SURGERIES ADMITTED TO INTENSIVE CARE UNIT, for publication in Studies in Medical Sciences 34 (2), 109-115

11) Evaluation of the Relationship of Low Back Pain with Spinal Anesthesia and its Related Factors in Patients Undergoing Urological Surgery, Men's Health Journal 7 (1), e5-e5

12) Cardiovascular Effects of Adding Epinephrine to Bupivacaine in Children Undergoing Caudal Block: A Double-blind Randomized Clinical Trial

<https://doi.org/10.5812/ipmn-134053>

13) COMPARISON OF END-TIDAL CO₂ LEVELS BEFORE AND AFTER BLOWING GAS IN THE ABDOMINAL CAVITY IN PATIENTS OF THE GYNECOLOGICAL SURGERY DEPARTMENT UNDERGOING LAPAROSCOPY, for publication in Studies in Medical Sciences 33 (7), 485-494

14) Comparison of the effect of paramedian and median methods on postdural puncture headache among candidates for elective ce-sarean sections undergoing spinal anesthesia. PEDIATRIC ANESTHESIA AND CRITICAL CARE JOURNAL PACCJ 9 (2), 116-122

DOI:10.14587/Paccj/2021.19a

15) Comparison of tracheal tube cuff inflation pressure among anesthesia team with different gradual level

Rahavard Salamat Journal 4 (3), 14-24

16) Epidemiology of Acid-Base Abnormalities in Intensive Care Unit after Coronary Artery Bypass Graft Surgery in Shohada Hospital

Rahavard Salamat Journal 4 (2), 58-67

CONGRESS PRESENTATION:

- 1) Comparison of Noninvasive arterial pressure with Invasive measurements in cardiac intensive care unit at Urmia Seyedo Shohada Hospital during 2018 "has been finalized for admission and will be in Proceedings in " 6th International Conference on Health, Crisis and Safety " in the Poland, December , 2022
- 2) " Comparing the Effect of Methylprednisolone and Dexamethasone on Systemic Inflammatory Response to Cardiopulmonary Bypass and Clinical Outcome after Coronary Artery Bypass Graft surgery "has been finalized for admission and will be in Proceedings in " 6th International Conference on Health, Crisis and Safety " in the Poland, December , 2022
- 3) " Evaluation of the Effect of Carbon Dioxide Insufflation on Endotracheal Tube Cuff Pressure during Laparoscopic Cholecystectomy "has been finalized for admission and will be in Proceedings in " 6th International Conference on Health, Crisis and Safety " in the Poland ,December , 2022
- 4) A comparison of prophylactic effect of granisetron and meperidine on reducing shivering following elective cesarean by spinal anesthesia. "has been finalized for admission and will be in Proceedings in " 8th International Conference on Obstetrics, Infertility and Mentalhealth" in the Poland ,December , 2022
- 5) Evaluation of effect of preoperative oral carbohydrate on the blood glucose and hemodynamics in children under 3 years old undergoing elective inguinal surgeries "has been finalized for admission and will be in Proceedings in " 8th International Conference on Obstetrics, Infertility and Mentalhealth" in the Poland ,December , 2022
- 6) The effects of leg elevation on hemodynamic changes in patients undergoing elective cesarean section with spinal anesthesia "has been finalized for admission and will be in Proceedings in " 8th International Conference on Obstetrics, Infertility and Mentalhealth" in the Poland ,December , 2022
- 7) " Comparison of pressure of upper and lower limb during open heart surgery at Urmia Seyedoshohada hospital during 2018 "has been finalized for admission and will be in Proceedings in " 11th International Conference on Health, Treatment and HealthPromotion " in the Poland in December , 2022
- 8) " Evaluation of the effect of temperature and cardio-pulmonary bypass on the Bispectral index in patients undergoing coronary artery bypass graft surgery "has been finalized for admission and will be in Proceedings in " 11th International Conference on Health, Treatment and HealthPromotion " in the Poland in December , 2022
- 9) The Effect of Nasogastric Tube Insertion on Tracheal Tube Cuff Pressure in Patients under Laparotomy "has been finalized for admission and will be in Proceedings in " 11th International Conference on Health, Treatment and HealthPromotion " in the Poland in December , 2022

10) Comparing the ease of endotracheal intubation with and without an intubation box in COVID-19 patients has been finalized for admission and will be in Proceedings in the 1st International & 4th National Congress of Patient Safety 24-26 May, 2023, Urmia University of Medical Sciences, Urmia, Iran
