After that I started to serve as family physician in Urmia Health Center for 13 months. In 2006, I was accepted in Emergency Medicine residency program in Tabriz University of Medical Sciences. In 2010 I completed the residency. The postgraduate dissertation entitled "The effect of using packed gauze in each buccal cavity of edentulous patients on facility of bag mask ventilation after removing dentures" was presented as poster at the 13th Congress of Emergency Medicine in Singapore in 2010, and then published in the Urmia Medical Journal. I got country's first rank in Oral exam of Emergency Medicine board in 2011. As an emergency medicine specialist, I worked in Namazi and Rajai Shiraz hospitals for one year. I continued working as a faculty member and assistant professor in Imam Khomeini University Hospital from 2012 until now. I had several responsibilities such as Emergency ward dean and etc that I mentioned in number 8 above. I had so many students in several fields such as Emergency Medicine Technician, Nursing in BSc and MSc levels, Anesthesiology BSc, Medical students and Residency programs in several fields. I have responsibility in clinical exams and clinical competency exam in medical students in university.

I interested in POP and Classic music. I also interested in sport. My favorite sport is Table Tennis.
